PARTS

Here I want to explain each parts of this website

MY PROJECT LINK

https://mahyarsalamati.github.io/MahyarProfile.git.io/

this website is My Profile

that includes:

About me

Resume

Works

Testimonials

ABOUT ME

A short summery of my life which contains my personal experiences and projects I've done & skills that I am experienced in. Also a link which you can download my full Resume in PDF format.

m.salamati@gmail.com   09355564460

RESUME

Just list my Education and Works I've had with a short summary including the dates and the explanation of each.

WORKS

Something like a gallery of my projects with 8 picture and short summary of each photo.

THIS WEBSITE IS PRODUCED TO INNTRODUCE MYSELF AND USED HTML – CSS - JS – PHP FOR FRONT-END AND BACH - END

TESTIMONIALS

Write 3 different statement and comment that my supervisors told about me.

CONTACT

A contact form that the back-end is coded using PHP, and it will send me the message directly in my e-mail.
